Maintaining Student Discipline

Maintaining an orderly learning environment is an essential part of each teacher's instructional responsibilities. A teacher's ability to foster appropriate student behavior is an important factor in the teacher's educational effectiveness. The Superintendent shall ensure that all teachers, other licensed educational employees (except for individuals employed as paraprofessional educators), and persons providing a student's related service(s): (1) maintain discipline in the schools as required in the School Code, and (2) follow the School Board policies and administrative procedures on student conduct, behavior, and discipline.

When a student's behavior is unacceptable, the teacher should first discuss the matter with the student, if appropriate. If the unacceptable behavior continues, the teacher should consult with the Building Principal and/or discuss the problem with the parent(s)/guardian(s). A teacher may remove any student from the learning setting whose behavior interferes with the lessons or participation of fellow students. A student's removal must be in accordance with Board policy and administrative procedures.

School personnel shall not use disciplinary methods that may be damaging to students, such as ridicule, sarcasm, or excessive temper displays. Corporal punishment (including slapping, paddling, or prolonged maintenance of a student in physically painful positions, and intentional infliction of bodily harm) is prohibited in all circumstances. School personnel may use reasonable force as permitted by 105 ILCS 5/10-20.33.
