Persons who believe they have not received equal employment opportunities should report their claims to the Nondiscrimination Coordinator and/or a Complaint Manager for the Uniform Grievance Procedure. These individuals are listed below. No employee or applicant will be discriminated or retaliated against because he or she: (1) requested, attempted to request, used, or attempted to use a reasonable accommodation as allowed by the Illinois Human Rights Act, or (2) initiated a complaint, was a witness, supplied information, or otherwise participated in an investigation or proceeding involving an alleged violation of this policy or State or federal laws, rules, or regulations, provided the employee or applicant did not make a knowingly false accusation nor provide knowingly false information.

Minority Recruitment

The District will attempt to recruit and hire minority employees. The implementation of this policy may include advertising openings in minority publications, participating in minority job fairs, and recruiting at colleges and universities with significant minority enrollments. This policy, however, does not require or permit the District to give preferential treatment or special rights based on a protected status without evidence of past discrimination.
