Compensatory Time-Off

This policy governs the use of compensatory time-off by employees who: (1) are covered by the overtime provisions of the Fair Labor Standards Act, 29 U.S.C. § 302 et seq., and (2) are not represented by an exclusive bargaining representative.

Employees may be given 1-1/2 hours of compensatory time-off in lieu of cash payment for each hour of overtime worked. Other than as provided below, at no time may an employee's accumulated compensatory time-off exceed 240 hours, which represents compensation for 160 hours of overtime. Overtime will not be allowed without prior authorization from the employee's immediate supervisor. Regular employees may accumulate a maximum of 240 hours of compensatory time, which represents compensation for 160 hours of overtime. Employees whose work regularly includes public safety, emergency response, or seasonal activities may accumulate a maximum of 480 hours of compensatory time, which represents compensation for 320 hours of overtime. If an employee accrues the maximum number of compensatory time-off hours, the employee (1) will be paid for any additional overtime hours worked, at the rate of one and one-half times the employee's regular hourly rate of pay, and (2) does not accumulate compensatory time-off until the employee uses an equal amount of accrued time-off.

An employee who has accrued compensatory time shall be permitted to use such time in 30 minute blocks if such requests do not unduly disrupt the operations of the District. All requests for compensatory time must be approved by the employee's supervisor.

Upon termination of employment, an employee will be paid for unused compensatory time at the higher of:

1. the average regular rate received by such employee during the last three years of employment; or
2. the final regular rate received by such employee.

Compensatory time-off is time during which the employee is not working and is, therefore, not counted as "hours worked" for purposes of overtime compensation.
